

Women & Infants

May 14, 2005

Dear Operation Warm Head Start Volunteer:

We greatly appreciate your generous donations of crochet/knitted articles to the Operation Warm Head Start Program. Your contributions are distributed to the infants so they may receive their "warm head start" to decrease the chances of hypothermia. We also send miscellaneous items to Social Work for the families in need.

Please accept my sincere appreciation for your diligent efforts in our behalf. So many benefit from your dedication to helping others.

Sincerely,

Liz
