Dear Mrs. Stravinsky,

The expressions of surprise and excitement on our kindergarten and first grade students' faces as they received their All About Me books told it all! The personalized text made the students feel so special.

I would like to thank the Telecom Pioneers for thinking of the students of Norwood and for all of your effort and dedication to the education of Warwick's school children.

Learning to read at an early age is critical to a child's success in school. I know that our kindergarten and first grade students will read, reread and treasure their books for years to come.

Sincerely,

Nancy Plumb
